Your order/ project: Report – EKOPRINT HP  
Your order date: August 4, 2017

## Report

**on suitability of ink „EKOPRINT egg shell printing HP“ (red, blue, green) for printing on egg shells**

## Assessment

According to regulation (EC) 1333/2008 the submitted product compositions are permitted to be used for printing on egg shells in the EU.

We assume that all additives comply with regulation (EU) Nr. 231/2012.
